BALDWIN - MA TAK WO

A. H. BALDWIN & SONS LTD

Founded in 1872, A. H. Baldwin & Sons Ltd set up their in-house auction department in 1993 and have since expanded to hold more than eighteen auctions of all numismatic material in London, New York and Hong Kong each year.

The merger of Baldwin's with Noble Investments (UK) PLC in 2005 and the subsequent acquisitions in early 2008 of Apex Philatelics, and in 2012 of The Fine Art Auction Group (comprising Dreweatts and Bloomsbury Auctions), has seen the company expand to become a formidable player at the forefront of the collectibles market. In more recent times (2013), Baldwin's has become a part of the Stanley Gibbons Group plc and is now a more powerful London Stock Exchange listed collectibles retailer and 'top 5' UK auctioneer.

Baldwin's comprise a world-class team of specialists and consultants who between them cover virtually all aspects of English, Ancient and Foreign coins, Commemorative Medals, Tokens and World Stamps.

The Baldwin's specialist team have worked as advisors and cataloguers of coins for some of the most prestigious auction houses in London and abroad for decades. Our extensive library, comprising thousands of reference books, allows us to research thoroughly all aspects of numismatics from Ancient times to the present day, with the main focus including English, European, Russian, Islamic, Indian, the Americas and Oriental coins, as well as commemorative medals, for auction and direct sale.

Baldwin's had a part in the establishment of the first Singapore Coin Auction in 1986, and consigned frequently over the years. We therefore were well placed to take over from Spink's when they withdrew from the original partnership in 1993. The Hong Kong Coin Auctions are numbered from this series.

JOHANNA AUSTIN

約漢娜 奧斯丁

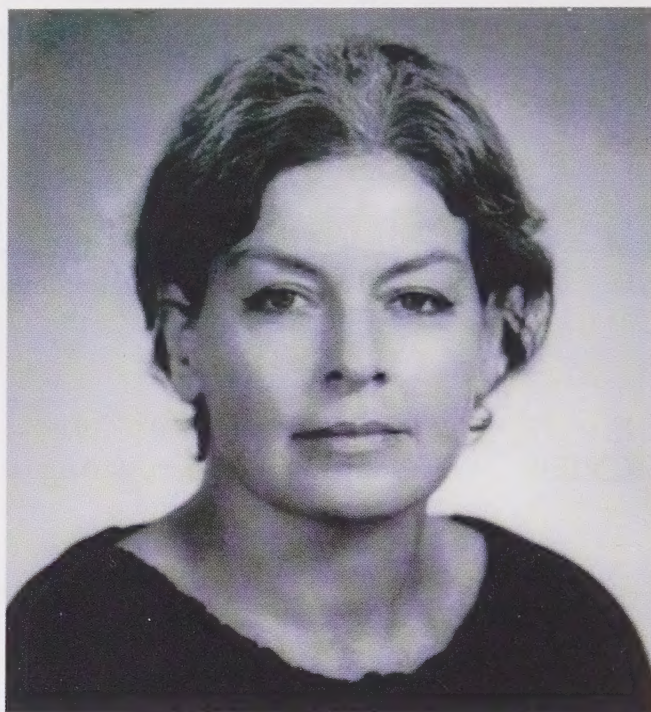

(1929-2013)

Johanna Austin was a very private and unconventional lady whom I first met in Hong Kong in 1957 or 1958 when she was staying at the Helena May. The Helena May was the cheap hostel where respectable young single European ladies stayed. The ladies were known locally as the Fishing Fleet.

At the time Johanna had just lost the love of her life, a French diplomat with whom she had lived in Bangkok. Their house apparently had a python resident underneath. She had just completed the second of her monumental walks, from Hanoi to Haiphong, now known as Ho Chi Minh City, in what was then French Indo-China

Most of her time in Hong Kong was spent exploring the New Territories, the bird life and the then largely abandoned villages there. During her time in Hong Kong she became passionate about the Chinese and Chinese art.

My knowledge of Johanna's life and achievements I gleaned in snippets over the many meals we had in Hong Kong during her times there and when we met whenever I came up to London to view an oriental exhibition or antique fair during the last 20 years.

Johanna was born in Lille in Northern France in 1929, but the years before the war were spent in Germany with her mother and her aristocratic relatives. In consequence she was fluent in German. Her mother, however smuggled her and her half-brother, a Dutch count who was a lot older than her, out of Germany just before the war. During the war they lived in Yorkshire, where they went through a series of governesses, driven away by the naughtiness of Johanna and her brother. Johanna was considered a frail and simple girl and was not given any formal education. However she wandered over the moors of Yorkshire communing with and photographing nature and building up her strength.

At the end of the war she was a fairly robust and fiercely independent teenager and her mother took her on a grand tour of Europe, viewing the art collections and countryside of Italy, Sicily and Greece, among others. She described her mother and herself as the first tourists in Europe after the war. Johanna, as a result could recognise great paintings almost immediately and I remember her sitting down before a Leonardo masterpiece for almost an hour.

No doubt her feelings for great art were stimulated by this trip. Johanna won a photographic competition during this grand tour, with a photo of a buffalo on a rickety bridge in Northern Greece, and on the strength of that win she became and remained throughout her life a member of the Royal Photographic Society. I believe it was also on this grand tour that she made the first of her historic walks, from Milan to Rome, progressing at a leisurely pace, no doubt studying the wildlife for hours at a time.

I believe her mother died shortly after this trip and Johanna left England and took a job as a ski instructor at St Anton in Austria, which she kept for a decade or so. She was notorious for her spectacular crashes which left her with multiple injuries, and the knowledge that she was allergic to all antibiotics. She had a phobia of doctors and refused to take pills. She later became almost paranoid about the danger to health of processed foods, insisting whenever she could on buying organic food despite the high cost involved. In her later years she haunted the charity shops and organic food markets.

In the seventies she became involved with Talbot Patrick, an American newspaper proprietor in Rockville, South Carolina, USA, whom she married in 1977, and she became a green card holder at that time. He died in 1980 and she turned up in Hong Kong again shortly after his death. It was from Hong Kong that she mounted an expedition to the northernmost islands of Japan to see Stellar's seal-eating eagles, the world's heaviest birds of prey. Johanna was a life member of the Royal Society for the Protection of Birds, but I doubt whether many members have seen Stellar's eagles.

Johanna, who had spent most of her life out of England apart from the war years, finally took up residence in London in the late 1980s, though she continued to spend periods in South Carolina until the late 1990s. She left an indelible impression on those she took to, with her somewhat wicked sense of humour and her strong views on all manner of subjects. I for one will miss her company, viewing antique fairs and exhibitions, for her trenchant comments, and unfailing good taste. She greatly admired the Museum of East Asian Art in Bath and was determined to help it survive.

Brian McElney, December 2013

As a coin collector, Johanna focussed on the coinage of SE Asia, in particular the coins of French Indo-China, Vietnam and Hong Kong. She was also interested in the trade coins used in the region, produced by various nations, which are all represented here. Johanna was very exacting buyer, seeking out only the very best examples of the coins she wanted. In consequence some of the Piastres de Commerce are the finest examples you will ever see. She has left her entire estate to charity. The proceeds of the sale of her coin collection will go to the Museum of East Asian Art in Bath, England.

Edward Baldwin

1957 或 1958 年，我在香港首次遇見約漢娜 奧斯丁時，她是個孤獨和脫俗的少女，住在一家歐裔正當人家少女通常入住的廉價旅舍 “海倫娜美”。本地人稱這群少女為 “漁船隊”。

那時約漢娜剛失去她一生至愛，一位與她在曼谷同居的法國外交官，原來一條大蟒蛇寄居在他們房子下面。她剛完成第二次長途步行，由當時法屬印度支那的河內步行到海防，現稱胡志明市。

留港期間，她大部分時間都跑到新界，探索鳥類生態和荒廢鄉村。她對中國人和中國藝術的狂熱亦由此開始。

我對約漢娜生平和成就所知一鱗半爪，皆得自無數次與她在香港餐聚，或過去二十年我到倫敦參觀東方藝術展和古董展碰頭交談。

1929 年，她在法國北部里拉市出生，但二次大戰前她母親和貴族親戚都在德國居住，所以她說得一口流利德文。戰爭爆發前，她母親安排她和年長她多歲的同母異父兄長，一位荷蘭伯爵偷渡離開德國。二戰期間，她們在英國約克郡定居，頑皮的兩兄妹氣走一連串女家庭教師。家人認為約漢娜體質虛弱，頭腦單純，所以沒有讓她接受正式教育。她有空就穿梭約克郡的荒野，與大自然溝通，並以攝影機捕捉，同時鍛練體魄。

二戰結束時，她已是一位強健獨立的少女，母親帶她遊歷歐洲，鑒賞藝術品集藏，參觀意大利、西西里、希臘等地的鄉村。她形容她們兩母女是戰後歐洲第一批遊客。她可以一眼辨識著名畫作，我曾目睹她靜坐在一幅達芬奇大作前足足一個小時。

毫無疑問，這次歐遊啟發她對藝術的熱情。她在希臘北部拍攝一幀水牛過殘橋照片，在一次攝影比賽中獲獎，亦令她成功加入皇家攝影學會，且終身維持會籍。我相信這次歐遊中，她完成她第一次長途步行，由米蘭步行到羅馬，細心觀察沿途野生動植物。

歐遊後不久她母親去世，她亦離開英國，到奧地利聖安東當滑雪教練，一做就十年。其間多次發生意外，身上留下多處傷患，並發現自己對所有抗生素敏感。她有醫生恐懼症，拒絕服食任何藥丸。她抗拒加工食物，不惜代價購買有機食品。她晚年喜歡流連慈善商店和有機食品市場。

七十年代她遇上托伯特 伯多祿，一位居於美國南卡羅來納州洛威爾市的報章老闆，並在 1977 年嫁給他，成為美國永久居民。丈夫在 1980 年去世後，她移居香港，並由香港出發，到日本最北端島嶼觀察世界最重的獵食鳥，捕食海豹的 “史提拉鷹”。約漢娜是皇家保護雀鳥會永久會員，我相信沒有幾位該會會員曾見過此鳥。

除了二戰那幾年，約漢娜一生都在英國以外度過，到 1980 年代末，才定居倫敦，直至 1990 年尾，間中到南卡羅來納州小住。她帶淘氣的幽默感和對事物的強烈見解，令人留下不可磨滅的印象。以後我參觀古董展時，一定會想起她，懷念她的果斷評語和超凡品味。她生前很欣賞英國巴斯市的東亞藝術博物館，遺願支持其運作。

拜仁 麥安利 2013 年 12 月

約漢娜專注收藏東南亞錢幣，尤其是法屬印度支那、越南和香港，旁及該區多國所鑄造的貿易錢幣，藏品都包括在這次拍賣。她要求很高，追求最高品相。這次提供的法屬印度支那貿易銀圓可能是我們一生所見最佳品相。她將全部遺產捐獻慈善機構，而這次她錢幣集藏拍賣所得將全部捐給巴斯市東亞藝術博物館。

THE LINDÉN COLLECTION

Åke Lindén (1927-2013)

凌頓集藏

亞嘉凌頓 (1927-2013)

Åke Lindén, who passed away on the 13th May 2013 at the age of 86, was a man of international stature having served for a number of years and eventually becoming Assistant General Director of GATT (General Agreement on Tariffs and Trade), now the World Trade Organisation.

He was born in Stockholm but grew up in Karlskoga where his father was a director at A B Bofors. His father travelled widely all over the world and brought back different coins from each country he visited. This is what first inspired Åke's passion for coin collecting. After taking degrees in law and economics, he joined the Swedish Foreign Office and served in Paris, Rio and Frankfurt before moving to the GATT Secretariat in Geneva where he became the leading expert in the international trade systems.

Being a somewhat reserved, almost shy and certainly modest person, Åke was immediately popular with people from all walks of life. His regular driver's appreciation of the man was such that he described him as "the epitome of a true gentleman". After taking his pension in the mid-1990s when GATT became WTO, he became a political consultant and was employed by both the EU and the United Nations as well as individual countries including Malaysia, Kazakhstan, Jordan and Sri Lanka.

In his limited spare time Åke enjoyed spending time with his younger brother and sister and their families, as well as a circle of close friends. He also gave legal advice and financial support to various "good works" and charities freely, which was typical of the man.

It is a wonder that Åke ever found the time to devote to his coin collecting hobby, but time he did find, or make as the case may be, and what is more he went about it in the most methodical and single-minded fashion. One could say that he became a more accomplished numismatist than many fulltime professionals. His numismatic interests were not merely wide ranging, he actually set about collecting every type coin since 1850, as per the Yeoman catalogue, from every country in the world. Being the true collector that he was, Åke would consider any coin that was missing from his collection in whichever condition available. However, when it came to the very rarest items, he did not hesitate to acquire them in top condition at whatever the price. To this end, Åke even went so far as to purchase graded coins in plastic "slab" holders, which was anathema to him because he could not enjoy handling them in the same way he was used to with coins that were "free". Such coins included, for example, the Korean 20-Won and 5-Won of 1906 and 1908 as well as numerous Japanese and American gold coins. His German States gold and silver collection, which is about as complete as one would wish for, bears testament to the methodical way that he went about putting together his collection.

This auction includes several coins from the Lindén collection and these are all marked as such in the lot description footnote.

亞嘉凌頓在二〇一三年五月十三日逝世，享年八十六歲。他生前是國際知名人士，在世界貿易組織 (WTO) (前稱關稅暨貿易總協定 GATT) 服務多年，晉升至助理總監。

他在瑞典斯德哥爾摩出生，在卡爾斯高加長大，他父親是當地 A B Bofors 公司的董事，出差足跡遍及全世界，並將造訪每個國家的錢幣送給亞嘉。這亦是引起他對錢幣發生興趣的原因。取得法律及經濟學位後，他加入瑞典外交部，曾派駐巴黎、里約熱內盧、法蘭克福，後調職 GATT 秘書處，成為首席國際貿易專家。

他是一個含蓄、害臊及謙虛的人，與各階層人物都合得來。他的司機曾這樣形容他：“誠真君子之典範”。九十年代中期，GATT 改組為 WTO，他亦退休，改任政治顧問，先後受聘於歐盟、聯合國，以及馬來西亞、哈薩克斯坦、約旦、斯里蘭卡等國。

儘管閒暇不多，他很享受與弟妹、他們家人及一小撮摯友一起，他亦樂於向慈善團體和“有意義”組織提供免費法律意見及財政資助。

大家都奇怪亞嘉何來時間蒐集錢幣，但他確實有條不紊、心無旁騖完成一個可觀的集藏，成就超越許多全職錢幣專家。他的蒐集興趣廣泛，根據 Yeoman 目錄每個國家每種錢幣都收集一枚。作為一個真正收藏家，只要他缺的，不論品相，他都會拿下。可是遇到罕品，他毫不猶豫，不論價買最高品相。因此，雖然他個人不喜歡無法把玩在手的評級幣，但為追求最高品相，他亦會買評級幣，例如韓國 1906 二十圓和 1908 五圓，以及無數日本及美國金幣。他的德國城邦金銀幣集藏，可稱大致齊全，是他有條不紊集幣精神的明証。

這次拍賣包括若干枚出自凌頓集藏的錢幣，都有附註。

Conditions of Sale

1. The highest bidder for each lot shall be the buyer thereof. In the event of any dispute, the auctioneer shall have absolute discretion to determine the dispute and may put up again and re-sell the disputed lot.
2. The auctioneer shall have the right, at his absolute discretion, to refuse admission to his premises or attendance at his auction by any person and to require any person to pay a cash deposit before issuing him or her with a bidder number.
3. The auctioneer shall have absolute discretion to divide any lot, to combine any two or more lots, or to withdraw lots from the sale without giving any reason. The bidding shall be regulated at the absolute discretion of the auctioneer who shall have the right to refuse any bid or bids.
4. All lots are put up for sale subject to any reserve price that may be imposed by the seller. The seller shall not bid on his own property, nor employ any person to bid for him and the auctioneer alone shall have the right to bid on behalf of the seller up to the amount of any reserve. Should the reserve price be considered unreasonable by the auctioneer, the consignor is subject to at least five per cent (5%) commission on the reserve price if the goods remain unsold plus insurance charges.
5. Bidding commissions for anyone unable to attend the auction in person may be carried out by the auctioneer without charge, but "buy" commission will be accepted if the auctioneer is given absolute discretion.
6. The buyer of any lot shall immediately notify his name and address to the auctioneer and, if required, (a) provide bank or other credit references, and (b) pay the full purchase price, or a fractional deposit as may be determined at the discretion of the auctioneer.
7. Lots are sold as shown with all faults, imperfections and errors of description. Neither the auctioneer nor the seller shall give any warranty to any buyer in respect of any lot, or be liable for any fault or error of description, or lack of genuineness or authenticity of any lot. All statements as to the items sold, whether made in catalogues, during the course of the auction, or otherwise, are statements of opinion only, and are not and shall not be taken to be statements or representations of fact. The auctioneer reserves the right in forming his opinion, to consult and rely upon any expert or authority considered by him to be reliable. Notwithstanding the foregoing, if any lot should be proved by the buyer to be a forgery or re-print, or to have been wrongly described in any material respect, the buyer may reject the same, provided that he shall have given notice of his intention to do so and shall have returned the same to the auctioneer within fourteen (14) days from the day of the sale. Under no circumstances will the auctioneer be liable for any costs, expenses or damages incurred by the buyer in respect of any lot, including, but not limited to, loss of any kind of profit whatsoever. Bidders are advised to scrutinise the lots they bid for.
 - The auctioneer guarantees all items offered in the catalogue to be genuine. Claims to the contrary must be made in writing within fourteen (14) days after receipt of materials.
 - Questions on a coin being a proof or business strike relate to method of manufacture but not authenticity.
 - No lot may be returned after thirty (30) days after the sale.
8. The auctioneer acts solely as an agent and shall not be responsible for any default by either the buyer or the seller or for any action or claim which may arise in respect of any lot.
9. Buyers must satisfy themselves as to the accuracy of their purchases at the time of delivery. The auctioneer cannot be held responsible for any discrepancy which might be discovered after the lots have been removed from either the auction room or the auctioneer's premises.
10. The Auctioneer does not automatically accept the opinions of commercial third-party grading services. Refusal of such service to grade a coin, or a difference of opinion on the grade of a coin, is not acceptable grounds for the return of a lot. Statements and opinions formed by third-party grading services based on their own independent research do not affect the auctioneer's rights and conditions.
11. The auctioneer will not hold himself responsible for the safe custody of any lots left for more than seven (7) days after the date of the sale, and reserves the right to charge storage and to re-sell by auction or privately, and without notice to the buyer, any lot not removed from its premises within seven (7) days from the date of the sale. Buyers shall not be entitled to remove lots from the auction room during the course of the auction.
 - No lot may be returned without the consent of the auctioneer.
 - If the auctioneer agrees to the return of any lot, it must be contained in its original, sealed and unopened container.
12. Each lot shall be at the buyer's risk from the fall of the hammer.
13. Any part of the purchase price left outstanding after the auction pursuant to Condition 6, shall be paid in full within seven (7) days of the date of the auction though the auctioneer may, at its absolute discretion, agree terms for credit with the buyer. Without prejudice to any other rights, the auctioneer reserves the right to charge interest on any overdue payment at the rate of 2.5% per month. All personal cheques must clear before delivery can be made, unless prior arrangements have been made with the Auctioneer. Payment by credit card shall not be accepted for auction purposes.
 - Late payment for any reason is just cause for revocation of all return privileges.
 - The property in a lot shall not pass to the buyer unless he has paid the purchase price in full.
14. Buyers accepting commissions from other parties do so at their own risk and will remain responsible to the auctioneer for full settlement according to these Conditions.
15. By making a bid the buyer acknowledges his acceptance of these Conditions and shall be bound by them.
16. If any buyer fails to comply with any of these Conditions, the lot or lots in respect of which the failure is made may at the discretion of the auctioneer be put up again and resold. The damages recoverable from the defaulting buyer shall include, but not be limited to, the auctioneer's expenses and commissions in respect of the resale and the amount (if any) by which the price obtained on the resale is exceeded by that obtained in the first sale.
17. A variation of these Conditions shall only be binding on the auctioneer and the seller if it is made in writing and signed by a duly authorised representative of the auctioneer.
18. In these Conditions, the auctioneer means Baldwin-Ma Tak Wo.
19. These Conditions shall take effect and be construed in accordance with the provision of Hong Kong law.
20. **A "Buyer's Premium" of eighteen percent (18%) is charged on the hammer price, but there is no additional charge for executing bids.**

Advice to Postal Bidders

1. Return your commission forms sooner rather than later, as bids are recorded in the order that they are received. Where two bids are received for the same amount, the bidder whose commissions arrived first is the buyer, subject, of course, to bids from the floor.
2. If you are late with your bids, fax or email them to us. Telephone bids can be accepted, although we would ask for the bid figures to be confirmed in writing as we cannot accept responsibility for mistakes.
3. All commissions are handled in the strictest confidence and, if successful, the lot is sold to the "book".
4. The auctioneer will normally increase the bidding in 10% jumps. We would ask postal bidders to keep their bids to the nearest multiple of US\$5 or US\$10. Bids of US\$101 will be treated as US\$100, and similar "odd" amounts will be rounded down to the nearest actual bid at the auctioneer's discretion.
5. It is important to realise that we will try to obtain the lot bid on for the lowest possible price, and we fully appreciate the fact that the bids given are the maximum figure that the bidder is prepared to pay for any lot.
6. We are happy to handle bids for customers who are interested in a number of lots, but wish to spend only a limited amount of money. Bidders are advised to mark their bids in the usual way and then clearly state the maximum amount they wish to spend.
7. In a similar way, if bidders wish to bid on a choice of two items, they should clearly mark on the commission form "either/or".
8. Please remember to give full details as to how the lot or lots are to be dispatched. Successful bidders will be sent an invoice immediately following the auction, and the general rule is that this must be settled in full before the item or items are dispatched. Insurance and postage are to be borne by successful bidders.
9. If there is any query before an auction about any item in the sale, or regarding a method of bidding, remember we have several overseas offices which can assist, and we are only a telephone call, fax or email message away.
10. **A "Buyer's Premium" of 18% is charged on the hammer price, but there is no additional charge for executing bids.**

Mode: Payment shall be made in United States Dollars in the form of cash or cheques drawn on a United States clearing bank, or by means of a banker's draft or telegraphic or cable transfer directly to the auctioneer's bank account, quoting the original invoice number. Currency: The sale will be conducted in United States Dollars. Full settlement will be expected also to be in United States Dollars. Payment made in other currencies will, of course, be accepted. BUT the customer will be responsible to Baldwin-Ma Tak Wo for all bank charges and any differences in the exchange rates upon conversion.

Full Settlement: Full Settlement is due on receipt of invoice. No items will be dispatched except to established account customers, unless full payment has been received.

Miscellaneous

Commission Buying: All commissions handled by Baldwin-Ma Tak Wo are treated in the strictest confidence and are "knocked down" to the "book".

Estimates: The figures in the list printed below each lot are the auctioneer's estimation of the expected price and are published as a guide for buyers.

Prices Realised: A list of prices realised will be sent to bidders and consignors only. Others wishing to receive copies are asked to send in US\$2 (or the currency equivalent) in cash. The auctioneer regrets that it is impractical for accounts to be charged for such a small amount. No list will be sent without full payment.
